**Date:** May 4, 2026

**To:** Commissioners Court

**From:** Tracy R. Homfeld, P.E., CFM; Assistant Director of Engineering

**Subject:** Amended Interlocal Agreement with Town of Fairview for 2018 Bond Project RI18033, Fairview Parkway from Medical Center Drive to Ridgeview Drive and associated Budget Adjustments to move unused 2007 Bond funding to this project

The Town of Fairview previously received funding for 2007 bond projects, which have now been completed with remaining funds available.

Additionally, the Town was awarded funding for the 2018 Fairview Parkway project (RI18033), with an Interlocal Agreement (ILA) approved on August 7, 2023, in the amount of \$7,980,000 (CC#2023-656-08-07). Construction for this project is now complete. The project included the construction of two (2) lanes of Fairview Parkway from Medical Center Drive and expanded the roadway to four (4) lanes from Medical Center Drive to the south side of the Sloan Creek bridge.

The Town is now requesting to reallocate remaining funds from completed 2007 bond projects to support additional improvements within the Fairview Parkway corridor. The proposed additional work includes:

1. Construction of a traffic signal at Fairview Parkway and Fairview Crossing (formerly Frisco Road);
2. Design and construction of lanes three (3) and four (4) from Ridgeview Drive south to the DART railroad tracks;
3. Design and construction of lanes three (3) and four (4) extending approximately 750 feet south of the Sloan Creek bridge.

The City has completed approximately 30% design for the proposed scope of work.

This budget adjustment will transfer remaining funds from three (3) completed 2007 bond projects to the ongoing 2018 project as follows:

- \$132,500 from RI07017-4209-750300013-809280 to RI0718033-4209-750300013-809280
- \$2,500 from RI07018-4210-750300013-809280 to RI0718033-4210-750300013-809280
- \$335,000 from RI07018-4212-750300013-809280 to RI0718033-4212-750300013-809280
- \$763,000 from RI07019-4212-750300013-809280 to RI0718033-4212-750300013-809280

The amended ILA provides an additional \$1,233,000, bringing the total County participation in the project to \$9,213,000.

**Action Requested:** It is recommended that the Commissioners Court approve the amended Interlocal Agreement to allocate an additional \$1,233,000 to the Fairview Parkway project (RI18033), covering improvements from Medical Center Drive to Ridgeview Drive, along with the associated budget adjustments, for a total County participation of \$9,213,000.
