**RE:** Request for Approval of Generous Donation to Support Crime Victims' Luncheon

---

I respectfully request this Court's approval to accept a \$15,000 donation from H-E-B, LP, to support the annual Crime Victims' Rights Luncheon (CVRL) hosted by my office. This event, held during National Crime Victims' Rights Week, is a vital opportunity to honor the resilience of crime victims, recognize the dedication of law enforcement, and celebrate the critical work of victim support organizations.

The CVRL serves as a platform to bring together community leaders, advocates, and law enforcement to reflect on the strides made in advancing victims' rights and to recommit ourselves to delivering justice and compassionate support to all affected by violent crime. This generous contribution from H-E-B underscores their commitment to community well-being and strengthens our ability to make this event impactful.

The acceptance of this donation aligns with statutory provisions under Local Government Code Section 81.032 and Government Code Section 41.108.

I sincerely appreciate your consideration and support of this important initiative.
