#	Item & Description	Qty	Rate	Discount	Amount
1	Ballot Scout Ballot Scout tracks mail-in ballots using USPS Intelligent Mail barcodes. The USPS scans these barcodes throughout each ballot's journey and shares updates with Ballot Scout along the way. This synergy offers both administrators and voters a detailed view and valuable updates on the progress of ballots as they navigate through the postal service and the election cycle.	1	35,500.00	10.00%	31,950.00
2	Enhanced Ballot A state-of-the-art electronic ballot delivery solution for states and localities. It offers near-seamless integration with ballots and voters to support quick setup and deployment. No matter where they are, voters can access their precinct-specific ballot on Enhanced Ballot to mark and download it, using jurisdiction-specific instructions to properly return the ballot. Plus, Enhanced Ballot is fully accessible to voters using assistive technologies like screen readers, screen magnifiers, speech input software, and more.	1	24,500.00	10.00%	22,050.00
3	Enhanced Results Enter, aggregate, and display dynamic precinct-level election results with a customized public interface. Voters interact with maps and graphs to review detailed contest turnout and totals.	1	36,000.00	10.00%	32,400.00
4	Enhanced Remake Station Achieve total transparency during the duplication process. Instantly print electronically delivered ballots with a simple barcode scan, or effortlessly remake any ballot using our digital remake option. Includes hardware and first year software license and support.	2	14,000.00	0.00	28,000.00
