MEMO

Date: May 11, 2026
To: County Judge and Commissioners
From: Clarence Daugherty, P.E., Director of Engineering
Subject: Abandonment of a portion of W. Foster Crossing/CR 283

The Engineering Department requests approval to abandon a portion of W. Foster Crossing/CR 283 as part of an agreement during right-of-way negotiations for the Outer Loop. The portion of W. Foster Crossing/CR 283 to be abandoned is shown on the attached exhibit and referenced in the Order. Part of W. Foster Crossing/CR 283 has been replaced by the newly opened segment of Outer Loop. The Outer Loop provides an improved driving facility to connect east/west drivers trying to reach CR 286 or US 75. The abandonment does not affect the rights of utilities that were located in the right-of-way of the road; however, utilities in the area have been given a 30 day notice of abandonment as required by law.

Action Recommended: It is recommended that the Commissioners Court approve the abandonment of the portion of W. Foster Crossing Road/CR 283 designated by the attached documents.
