Re: Court Technology Funds

Dear Commissioners:

I am requesting to Transfer \$3,000.00 from the Justice Court Technology Shared Fund to the JP3 Fund. The funds would be used to replace 2 scanners and a printer that are no longer functional.

2 – Scanners (Fujitsu fi-7160) \$900.00 each

1 – Small B&W printer \$274.17

The total is \$2,074.17 for the needed equipment; the additional funds are to cover any potential price increases we are not accounting for.

Respectfully Submitted,
