RE: Investment Report – 2nd Quarter (FY2026)

On March 31, 2026, total invested operating, non-operating, and capital project funds of Collin County had a market value of \$1,617,112,235. As required by Collin County's Investment Policy and in accordance with Government Code 2256, all investments were made with the following objectives in order of priority. First, the safety of the principal and maintenance of adequate liquidity were given the highest consideration. Second, diversification was accomplished by investing county funds into six separate PFIA investment pools (LOGIC, Texas Class, Texas RANGE, TexPool and TexSTAR), as well as by purchasing Certificates of Deposit, Fixed TERM Investments, Federal Agency Bonds, US Treasuries, Discount Notes, Municipal Bonds and other cash equivalent investments.

The weighted average maturity (WAM) for investments was 105 days, and weighted yield to maturity (YTM) was 3.518%, which compares to 53 WAM and 4.297% YTM for prior year 2nd quarter.

During the FY2026 2nd quarter, our overnight pools and cash equivalent investments experienced a seasonal increase from the prior quarter by \$150,516,079 due primarily to the timing of property tax receipts.

Certificates of Deposit experienced a decrease of \$7,661,414. Certificates of Deposit activity consisted of three (3) maturities, and zero (0) purchases.

Bonds experienced a decrease of \$5,824,910. Bond investment activity during the quarter consisted of zero (0) bonds called, eleven (11) bonds matured, and three (3) bonds purchased.

The total interest earned for all investments during this quarter totaled \$14,463,710.

Attached is our Collin County Quarterly Investment Report which consists of a Statement of Investment Position, a Summary Statement by Group, Investment Details, and Schedules of Investments by Fund. The 2nd Quarter Investment report was reviewed by the Collin County Investment Committee on May 18, 2026.
