Re: Crime Scene Vehicle 56034

The purpose of this memorandum is to request approval for unit 56034 to remain unmarked when placed into service.

Crime Scene Investigations (CSI) routinely respond to highly sensitive incidents involving victims, families, and traumatic events. The use of unmarked vehicles minimize unnecessary public attention at these scenes, reduces disruption within neighborhoods, businesses, and supports a more discrete investigative presence.

Unit 56034, a new specially equipped Ford F-150, will be replacing Unit 55449 an existing unmarked crime scene SUV. Unit 56034 is complete, outfitted, and ready for service pending unmarked approval.

We believe that unmarked vehicles remain the most practical and effective option for CSI.

OR WARRANTS OVER THE PHONE.
