NOTICE OF ISSUANCE OF REVENUE BONDS
BY THE NORTH TEXAS TOLLWAY AUTHORITY

The following notice regarding the potential issuance of revenue notes and bonds by the North Texas Tollway Authority has been provided to the Commissioners Courts of each of its four member counties, Collin County, Dallas County, Denton County and Tarrant County, on June 18, 2026, in accordance with Chapter 366, Texas Transportation Code:

As you know, the North Texas Tollway Authority ("NTTA") is required to notify the Commissioners Courts of each of its four member counties at least 90 days prior to the issuance of any anticipated revenue bonds. Such bonds are obligations of NTTA and require no additional backing of the counties. Debt service is paid from toll revenues or money from other available sources.

The North Texas Tollway Authority System ("the System") currently consists of the Dallas North Tollway, the President George Bush Turnpike (including the eastern and western extensions), the Sam Rayburn Tollway, the Chisholm Trail Parkway, the 360 Tollway, the Addison Airport Toll Tunnel, the Mountain Creek Lake Bridge, and the Lewisville Lake Toll Bridge.

The NTTA Board is considering issuing up to \$200,000,000 in bonds to finance capital improvements, enlargements and extensions to the turnpike projects constituting the System, including costs of construction relating to the Dallas North Tollway Phase 4A extension and the widening of Chisholm Trail Parkway.

Many factors (which will vary depending on which project is being financed), including receipt of required environmental approvals, final interlocal agreements between NTTA and local government entities, projected construction costs, and interest rates will affect the decision of when, if and in what form the above-described project financings go forward. In the event that notes or bonds are not sold by December 31, 2026, NTTA will not proceed with a financing until you have been notified of the revised schedule of the proposed transactions.

Please allow this to serve as your official notice of the anticipated sale of revenue bonds and notes. If you desire additional information, please contact me or the NTTA Chief Financial Officer, Horatio Porter.
