RE: Scale and Measuring Tapes for Wellness Initiatives

Collin County Human Resources would like to purchase a high-capacity body composition scale and a pack of body tape measures for use by the Nurse Liaisons for wellness initiatives. The scale costs \$33.99, and the measuring tapes cost \$4.99 for a total of \$38.98 from Amazon. Wellness funds were received by United HealthCare and deposited in revenue account 5505-03001-0038-72-00-0000-481058. To make the purchase, a budget adjustment of \$38.98 will be made to transfer the funds to expenditure account 5505-03001-0038-88-30-0000-615926.

Please let me know if there are any questions.
