

A resolution of the Collin County Commissioners Court: Completely Eliminate All Property Tax

We call on the Legislature to immediately develop and implement a plan that eliminates property taxes for all property owners: the plan should be a net tax cut, thus requiring fiscal discipline, zero-based budgeting, and spending restraint at all levels of government, and the plan should require two-thirds of voters to increase the overall tax burden, adopt new debt, or exceed spending limits.

We hereby support these initiatives and encourage the Texas Legislature to adopt these objectives in the 90th legislature.

A motion was made, seconded, and carried by a majority of the court members in attendance during a regular session on Monday, August 17, 2026.
