

A resolution of the Collin County Commissioners Court: Protect Life

Protect the Sanctity of Every Human Life: We call on lawmakers to affirm the sanctity of every human life, created in the image of God, by securing the right to life and equal protection under the law from the moment of fertilization until natural death. The Legislature must repeal Penal Code Sections 19.06, 22.12, and Civil Practice and Remedies Code Section 71.003(c); pass strong criminal penalties and new enforcement tools to fight abortion and abortion pill trafficking; hold rogue officials accountable for failing to defend life; protect fetal life from destructive practices, such as IVF (in vitro fertilization) and commercial surrogacy; promote Natural Procreative Technologies (NaPro) to help women conceive children naturally; protect vulnerable patients at any stage of life from involuntary termination in medical settings.

We hereby support these initiatives and encourage the Texas Legislature to adopt these objectives in the 90th legislature.

A motion was made, seconded, and carried by a majority of the court members in attendance during a regular session on Monday, August 17, 2026.
