Re: Budget Amendment for Animal Control

We respectfully request Commissioners Court approval for a budget amendment to increase Training & Travel to cover expenses that have and will be incurred for the remainder of FY2026. This overage is due to a price increase in training courses. We are requesting \$2000.00 be moved out of Animal Control Maintenance and Operations and into account:

Educ & Conf (604910) 2,000

Thank you for your consideration in this matter.
