

RESOLUTION NO. 2026-3
(Cancellation Resolution)

CITY OF NEVADA, TEXAS, A MUNICIPAL CORPORATION

The Interlocal Cooperation Agreement (the “ILA”) dated April 22, 2026, by and between the City of Nevada (“Nevada”) and Collin County, Texas, (the “County”, jointly, the “Parties”) was for road reconstruction for Eugene Lane. The street is in poor repair and inadequately serves Collin County and the City of Nevada. The Parties to the ILA have mutually discovered the drainage plans for the reconstruction of the road created a disagreement as to which of the parties would pay for the drainage improvements. It was determined that the financial plans of the City of Nevada would not provide funds if the drainage costs were shifted from the County construction to the City of Nevada. For that reason, the ILA and the financial arrangements between the Parties are no longer acceptable to the Parties. This Resolution therefore withdraws any prior approval of the ILA and the financing agreement with the County. The City of Nevada, by majority vote of the City Council has:

RESOLVED, that the ILA described above, and the financing agreement for the ILA project are terminated, and

RESOLVED FURTHER, that Donald Deering, Mayor of Nevada, is authorized to execute and deliver, on behalf of and in the name of the City of Nevada to take or cause to be taken any action necessary or appropriate to accomplish the purposes of this Resolution, in the form and with the provisions that Donald Deering, may deem proper.

PASSED AND APPROVED by the City Council of the City of Nevada, Texas, on this 4th day of August 2026.

APPROVED:

Donald Deering, Mayor
