Re: Cancellation of the City of Nevada Payback Plan ILA

Back in April of this year, Commissioners Court approved an ILA with the City of Nevada to fund the Eugene Ln reconstruction project at the request of Public Works. Originally, Nevada planned to pay Collin County a fixed amount for 60 months to finance their portion of the project. However, it has been brought to our attention that Nevada's monetary and economic position has improved significantly and no longer requires financial assistance from the County.

Because of this development, Nevada has requested Collin County to nullify and void the original ILA (see attached). PW still intends to reconstruct Eugene Ln as a shared project with Nevada in the near future. PW requests Commissioners Court's consideration and approval to dissolve the payback plan for the City of Nevada Eugene Ln. shared project.
