TO: Commissioners' Court

FROM: Jason Browning, Fire Marshal

RE: Order Prohibiting Outdoor Burning

Honorable Court,

The Keetch-Byram Drought Index (KBDI) is a scale measurement of soil moisture from 0 to 800. 0 is maximum saturation and 800 is severe drought. Currently Collin County is at an average of 611 and gaining +8 per day. There is no appreciable rain forecasted in the extended forecast.

I respectfully request the Court to consider and approve an order Prohibiting Outdoor Burning for the unincorporated areas of Collin County.
