An order of the Collin County Commissioners Court adopting a new rule for the Administration of the Collin County Local Provider Participation Fund (LPPF).

WHEREAS, pursuant to Sections 292E.053 and 292E.153 of the Texas Health and Safety Code, the Collin County Commissioners Court may adopt rules relating to the administration of the mandatory payment;

WHEREAS, local rules for the administration of the Collin County LPPF were adopted on December 4, 2023, and amended on September 8, 2025;

WHEREAS, the Texas Health and Human Services Commission has indicated there is good cause for a new LPPF rule to require that the imposition of all mandatory payments be exclusively and separately on net patient revenue attributable to inpatient hospital services and on net patient revenue attributable to outpatient hospital services using Medicare Cost Reports.

NOW THEREFORE BE IT ORDERED that the Collin County Commissioners Court adopts the following new and additional rule for the administration of the Collin County LPPF:

RULE 14. MANDATORY PAYMENT ASSESSMENTS IMPOSED ON OR AFTER OCTOBER 1, 2026

> Notwithstanding anything to the contrary in these rules, mandatory payments imposed for a tax period beginning on or after October 1, 2026 shall be imposed exclusively and separately on each institutional healthcare provider's net patient revenue attributable to inpatient hospital services and on net patient revenue attributable to outpatient hospital services, both derived from the most recent Medicare Cost Report. If a Medicare Cost Report is unavailable for an institutional healthcare provider, the County shall use another acceptable data source.

A motion was made seconded and carried by a majority of the court members in attendance during a regular session on Monday, November 9, 2026.
